Due to variations in print production, Corvixx Polymers does not warrant that the colors printed in this brochure are actual representations of available color selections. For best color matching results, please contact us for a color sample. Many factors such as age, sunlight and heat can have an adverse effect on the appearance of color over time. Additionally, due to chemical composition, application methods, mixing and other factors, slight variations in color can occur at the time of installation. **Specialty colors are available upon request.**
